Bus Service at Nash-Zimmer Transportation Center

Bus service to and from the new Nash-Zimmer Transportation Center located at 23 Royce Circle in Mansfield, CT has begun. While the Center is not open to the public yet, the Town invites residents and visitors to take advantage of the convenience these new stops provide. The Center's location allows easy access to the Storrs Center parking garage as well as newly opened shops and restaurants.

Buses from UConn and Windham Region Transit District stop daily in front of the Nash-Zimmer Transportation Center. UConn Transportation's Purple Line and WRTD's Storrs-Willimantic bus provide convenient transportation to both local and regional riders. When UConn Transportation's Silver Line begins service on March 24, it will also make regular stops at the Center. Peter Pan bus service to Hartford, New York, and Providence will also begin in the coming weeks.

Links to information regarding bus schedules can be found at the Nash-Zimmer website, www.MansfieldCT.gov/TransportationCenter. The Center is expected to be open in the coming weeks. Future announcements can be found on our website and through the Nash-Zimmer Twitter feed, [@NashZimmer](https://twitter.com/NashZimmer).
